Reading Comprehension: My Sister and I

My sister and I

Hi, my name is Staci and I'm 9. I have a twin sister, Aru. We're from India. We look alike, but we are very different. I'm good at Computer Science and Math. Aru is not good at Math, she prefers Literature and History.
I like music and sports. I'm good at basketball and I'm on the school team. Aru likes music, too, but she doesn´t like sports. She's interested in art and fashion. She has a blog about fashion that is very popular at school.
We don't share the same interests but we love spending time together!
