

NATURE SCIENCE

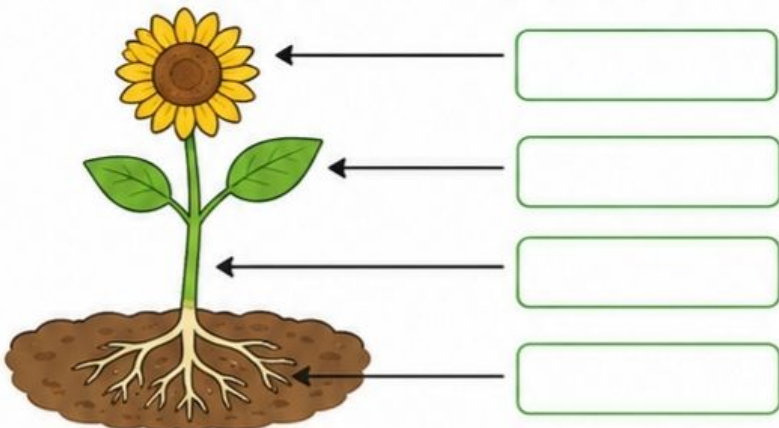

Let's learn about plants, animals, and weather!

ACTIVITY 1

Label the parts of a plant.

Write the correct words from the box on the lines.

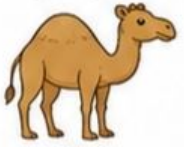

Word Box

- flower
- leaf
- stem
- root

ACTIVITY 2

Match the animals to their habitats.

Draw a line to match each animal to the place where it lives.

ACTIVITY 3

Draw the weather of the day.

Look outside. What is the weather like today? Draw it in the box.

You can draw:

- sunny
- cloudy
- rainy
- windy
- snowy

Remember: Observe, think, and explore the nature around you!
