

Parts of a Computer

Learn About Computer Parts!

Look at each computer part and read its name and use!

Part	Name	What It Does? / Use
	Monitor	Shows pictures and videos
	Keyboard	Used to type letters
	Mouse	Helps to click and move
	CPU / Computer Box	Brain of the computer
	Speaker	Makes sound / music
	Printer	Prints on paper

Tip for Grownups:

Ask kids to point to each part on a real computer!
