

Autumnal Equinox

When Day & Night are Equal!

Color the Leaves!

Count: How many leaves? ____

 = **Day & Night
same time!**

First Day of Fall!

**Apples & Leaves
change color!**

**Cool weather
starts!**

Autumnal Equinox - Fall Begins!

Tip for Grownups: On equinox, day and night are 12 hours each! Happens Sept 22-23. Talk about seasons changing!
